### **THE MISSION OF BLUMENTHAL PERFORMING ARTS**

To present the best in the performing arts and, in partnership with others, share and employ the arts as a major catalyst to strengthen education, build community cohesiveness, and advance economic growth.

### **THE MISSION OF THE BLUMEY AWARDS**

To recognize, reward and encourage talent and achievement in musical theater among high school students within the Charlotte Region. The Blumey Awards program is a means to highlight the importance of musical theater and arts education within our extended community.

### **SCHOOL PARTICIPATION / BLUMEY AWARDS CALENDAR**

Blumenthal Performing Arts will invite public, private, and charter high schools within the Greater Charlotte Region to apply for participation in the 2019 Blumey Awards program. The first 40 schools whose applications are received by Blumenthal's Education Department will be guaranteed participation *if their respective musical productions occur within the program's judging period: January 18-April 20, 2019*. Participating schools must be aware that due to logistical limitations, a maximum of 10 school productions can be adjudicated on any given weekend. School adjudication dates are determined on a first-come-first-serve basis.

### **SELECTION OF AWARDS RECIPIENTS**

A performance of each participating school's musical will be viewed and evaluated by a panel of three carefully selected judges. Judges will attend home venue performances anonymously. Judges will award points according to detailed guidelines and provide performance and production commentaries for each school as a learning tool. Winners will be announced during the awards ceremony. (For more specific information on judging and evaluation procedures, see page 7.)

The order of performances for the ceremony will be decided by the Blumey Awards Music Director.

## **PARTICIPANT EXTRAS**

Each participating Blumey school may nominate up to two students to play in The Blumey Awards orchestra. ### **3. Audition Workshop**

Students will work with professional musicians on audition techniques and will be coached on a song from their spring musical.

### **4. Tips and Tricks Workshop**

- d. Program Participation Forms will be accepted between **Tuesday, October 2, 2018 and Wednesday, October 10, 2018**. Exceptions may be made for later application submissions if fewer than forty schools have applied by October 10 and if no other logistical factors prevent inclusion.

- b. The contact person must return all forms by the deadline indicated on each form.

### MANDATORY DIRECTOR’S MEETING

Each participating school’s contact person and musical director (if not the same individual) will be required to attend a MANDATORY meeting prior to the beginning of the judging period. The purpose of this meeting is to describe and discuss program procedures in detail and to answer questions. This meeting will be held on **Saturday, January 5, 2019**.

### CATEGORY RULES

In keeping with The Blumey Awards’ mission of recognizing, rewarding and encouraging talent and achievement in musical theater *among high school students*, awards will highlight student effort, skill, and talent displayed at home venues, not the efforts and abilities of assisting professionals and others. Therefore, the use of individuals other than students and faculty will disqualify a participating school from competing in some award categories. However, the use of non-students/faculty in non-performance aspects of a home venue production will not disqualify participating schools in categories such as Best Musical and Best Ensemble/Chorus. (Faculty is defined as any full-time or part-time staff member at the participating Blumey Awards school who is paid by the school district on an annual basis. One who is hired or volunteers to work on select productions throughout the year, or who is paid directly by the school or in another manner, does not qualify as faculty.)

1. **Overall Direction** – Schools that use a director other than a faculty member and/or student are ineligible to receive the Best Overall Direction award.

2. **Student Orchestra** – Unless the musical is designed for a smaller orchestra, there must be at least ten people in the orchestra to be eligible for the Best Student Orchestra award. Ten percent (10%) of the student orchestra may be professional or non-student musicians in addition to the conductor (unless the conductor plays an instrument at any time during the production). Schools that use more than one adult/professional/non-student musician (including an instrument-playing conductor) per nine student musicians in the orchestra are ineligible for the Best Student Orchestra award.
3. **Set Construction** - Schools using a set designer other than a faculty member and/or student are ineligible to receive the Best Set Construction award. Schools that rent, purchase as final product, or borrow more than 30% of their scenery or props are ineligible to receive the Best Set Construction award. Students MUST be involved in at least 50% of the construction labor to be considered eligible in this category.
4. **Costume Creation** – Schools using a costume designer other than a faculty member and/or student are ineligible to receive the Best Costume Creation award. Schools that rent, purchase as final product or borrow more than 30% of their costumes are ineligible to receive the Best Costume Creation award. Students MUST be involved in at least 50% of the costume-making labor to be considered eligible in this category.
5. **Individual Performance Awards** – Only registered high school students from the respective participating Blumey Awards schools are eligible to receive the following awards: Best Actor, Best Actress, Best Supporting Actor, Best Supporting Actress, Best Featured Performer.

#### **TECHNICAL ACHIEVEMENT AWARD**

This category honors students who were a part of the technical aspects of their participating Blumey Awards production. Areas of nomination include Stage Management, Technical Direction, Lighting Design and/or Execution, Sound Design and/or Execution, or another applicable aspect of the production not listed here. More information on this portfolio-based award will be available in late fall.

#### **USE OF STUDENTS FROM ANOTHER SCHOOL**

Schools that use a student(s) from a school other than their own will be ineligible for the Blumey Awards. The exception is the case in which a musical calls for the casting of one to three very young children in minor roles that could not reasonably be performed by a high school student(s). If a school is a K-12 or 6-12 school, no more than 30% of the cast may be made up of students in grades other than 9-12. As stated above, only high school students will be eligible to receive individual performance awards. This percentage requirement is in regards to the performance cast(s).

#### **USE OF HOMESCHOOL STUDENTS**

The use of homeschool students will not disqualify a school as long as the following guidelines are met:

1. Homeschool students must be in grades 9-12 and registered in at least one academic (graded) class. An enrichment or afterschool program does not qualify as an academic class.
2. The student(s) must not be enrolled in another high school or participate in another high school production.
3. No more than 20% of the cast and crew may be made up of homeschool students.

#### **SCHOOL MUSICAL PROGRAM AD**

Blumenthal will provide each participating school with an advertisement for The Blumey Awards. It is MANDATORY that this ad be placed in each participating school's Playbill-type program. The ad highlights each school's participation in THE BLUMEY AWARDS competition and ceremony.

#### **ORCHESTRA AND PIANO SCORES**

Each school must retain their production's orchestra and piano scores until the nominations are announced by the Blumenthal. At that time, Blumenthal will inform schools nominated for one or more awards of their need to

retain their scores further. Advance arrangements will be made by Blumenthal with all appropriate licensing houses for schools to retain their music through May 22 without additional cost.

### **PERFORMANCE DVD**

It is MANDATORY that each participating school send to Blumenthal a high quality DVD or digital copy of their production. We will excerpt a portion(s) for inclusion in the awards ceremony.

### **PICTURES**

It is MANDATORY that each participating school send a group photograph of their production for inclusion in the awards ceremony playbill. The digital photograph must be in a Jpeg format in the highest resolution possible.

### **FEES / TICKETS**

- a. There is no participation or application fee to enter The Blumey Awards.
- b. Each participating school will be provided two complimentary tickets to the May 19 ceremony.
- c. Each school will have the opportunity to purchase group tickets (at a highly reduced rate) for participating students and directors prior to tickets going on sale to the public.
- d. Ticket information for the general public is issued by Blumenthal at least two weeks in advance of the ceremony.

### **PARTICIPATION IN OPENING AND CLOSING NUMBERS**

It is MANDATORY that each participating school participate in the awards ceremony Opening and Closing numbers. Two students from each school, a boy and girl, must attend mandatory rehearsals, and represent their school in the awards ceremony. The failure of any school to participate in the Opening and Closing number may affect eligibility for future participation in the program.

Additional performers for the Opening and Closing numbers may be determined at a later date. These additional performers must attend all MANDATORY rehearsals in order to participate in the Ceremony.

### **BEST ACTOR AND BEST ACTRESS NOMINEES**

The students that score in the top 20 in the Best Actor and Best Actress categories will be invited to audition before a special panel on Saturday, May 4. The six nominees for both of these categories will be chosen after the auditions and announced on Monday, May 6. During the Blumey Awards Ceremony, Best Actor and Best Actress nominees will perform in a musical medley. Nominees MUST attend all of the mandatory rehearsals listed below.

The winner of the Best Actor and Best Actress awards will represent the Blumenthal in New York City at the National High School Musical Theater Awards (NHSMTA, known as The Jimmy Awards) in the summer of 2019. They will receive an all-expenses paid trip to New York City where they will receive professional instruction and compete with students from other regional awards programs for the title of Best National High School Actor and Best National High School Actress. In the event that the winner of the Blumey Awards Best Actor or Best Actress is unable to take part in the National High School Musical Theater Awards program, the nominee with the second highest score will be invited.

To be eligible for participation in the Jimmy Awards, students selected as Best Actor and Best Actress at their respective regional events must also have played a NHSMTA-recognized leading role in their school productions. For this reason, the only student participants eligible for The Blumey Awards Best Actor and Best Actress nominations will be those playing NHSMTA-recognized leading roles in their school productions. (Participating schools will be provided an official list of leading roles at the mandatory Director's meeting in January.)

## JUDGING & EVALUATION PROCEDURES

### JUDGES

Blumenthal Performing Arts will appoint a panel of adjudicators consisting of qualified arts professionals and supporters to serve as Blumey Awards judges. Judges are required to attend a mandatory meeting in the fall that will provide an extensive orientation of the program and the evaluation process. During the judging period, scoring will consider each participating school's unique resources and challenges. Awards criteria emphasize student achievement, not size or elaborateness of production.

### JUDGING PROCESS

- Judges are required to adjudicate at least four schools and will not be assigned to a school for which there may be a conflict of interest.
- Three judges will evaluate each school only once. If a show is double cast, the school directors will specify the cast they want to be judged.
- Each school will be notified of the date in which Blumey Awards judges will be evaluating their show.
- On the respective judging date, six complimentary reserved tickets must be held at the school's box office under "Blumey Awards Judges." Please make sure these seats are in a good location.
- The team of judges is required to meet directly after the show to discuss the production. The Director or another adult production member must be available to meet with the judges immediately following the performance to answer any judges' questions
- Following an adjudicated performance, each attending judge will individually complete an official evaluation form. Each judge will include detailed comments and scores for the twelve award categories that are adjudicated. Judges may provide feedback for all categories—even those for which a school is not eligible to compete.
- Judges will individually enter their respective scores into an online system managed exclusively by an appointed accounting firm and submit their performance critiques electronically to an administrative judge to be compiled into one document.
- When all evaluations have been received, all Blumey judges will meet to view taped excerpts of the musicals and complete the scoring process. To determine the results for each school, the scores of the judges who personally adjudicate the live performance are collectively weighted at 65%, and the scores of those who only see the video excerpts are collectively weighted at 35%. (DVD quality is not a factor in the decision making process.)
- The highest score will determine the winner in each category.
- All actual scores will be calculated and kept sealed by the accounting firm until the awards ceremony.
- Blumenthal will send the compiled performance critiques to each school after completion of the awards ceremony. Schools will not receive numerical scores.
- The evaluation forms will remain the property of Blumenthal Performing Arts.

**NOMINATIONS/WINNERS**

- a. Only names of Nominees and Winners of each category, not scores, will be made public.
- b. Nominations will be sent to all schools via e-mail on Friday, April 26.
- c. There will be six nominees for each category.
- d. All decisions will be final in all respects.

**Blumenthal Performing Arts retains the right to all decision-making  
in matters requiring interpretation of the above-stated rules and regulations  
and for special circumstances not directly addressed by the same.**
