## 2022 GORDON HAY SCHOLARSHIP Procedures and Guidelines

Each year the Gordon Hay Scholarship Committee selects a high school senior or college underclassman to receive a unique \$5000 scholarship. The Gordon Hay Scholarship benefits a student within the Charlotte region who demonstrates technical or artistic accomplishment in a non-performance area of the performing arts with intent for a career in theater. The award is designed for special learning opportunities related to the recipient's ambitions for a career in theater. Opportunities include but are not limited to professional conferences, seminars, workshops, participation in unpaid internship programs, technological equipment, books, supplies, and professional performances. This award may not be utilized for school tuition, class fees, or college living expenses.

Allocation of the award will be administered by the Education Department of Blumenthal Performing Arts. To draw from the award account, the recipient must submit a formal request to Blumenthal's Education Department. It is possible for a recipient to utilize the entire award amount within the first year of college or to occasionally draw from the account as opportunities arise within a four-year undergraduate career. If the total amount of the award is not used during the undergraduate experience, the award recipient will not be entitled to a cash settlement upon graduation.

The Gordon Hay Scholarship Committee will consider the following when selecting scholarship finalists:

- career potential in a non-performance path in theater as evidenced by a portfolio presentation and appropriate references
