Bravo SERIES

Season Ticket Benefits & Policies

Best Seats, Best Prices

Equitable Bravo Series ticket holders lock in the best price for the best seats for five Broadway shows with the purchase of a Season Ticket.

Priority to Get a Guaranteed Broadway Lights Seat

The Equitable Bravo Series is a one-time package. As a Bravo buyer, you will have priority to upgrade to our premier, annually renewable Season Ticket option, PNC Broadway Lights, for subsequent seasons.

Four Swaps

Swap up to two of your season shows for anything else coming in the season, including Broadway Extras, PNC Broadway Lights Series shows, and special attractions. You can make swaps by phone as soon as you order your Season Ticket!

Swaps cannot be combined. Each swap must be for a different title. Swaps are based on availability and must be made at least **seven days from the opening date of your scheduled show**.

Extended Payment Plan

Spread your total Season Ticket cost into equal installments with our extended payment plan. This option is available for both online and phone orders. Call 704.335.1010 to learn more.

Payment plans require a credit card on file. Failure to pay your monthly payment or to update an expiring/expired credit card will result in the termination of your Season Tickets and the loss of other subscriber benefits.

Fee-Free Exchange

We understand plans change. You may exchange your tickets to another date and time of the same show fee-free.

Exchanges must be made at least 72 hours before your scheduled performance and are based on availability. If the cost of the new ticket is more, you are required to pay the difference.

Add Tickets for Friends and Family

Get great seats for friends and family to most season shows and other upcoming Broadways before sales open to the public.

You can add tickets immediately when you order by phone. You will also receive a special link to purchase online via email when we receive and process your Season Ticket order. Add-on ticket price charts will be included with your Season Ticket confirmation.

Season Ticket holder pricing for add-on tickets will be in effect until December 31, 2020. Additional tickets purchased after this time are subject to the current prices.

Purchase Priority

Skip the line for new shows added throughout the year! You'll receive special email alerts about newly-added shows, allowing you to purchase before they go on public sale.

Contactless Mobile Tickets

We're going mobile! For your convenience and safety, your Season Tickets will be delivered as mobile tickets. You will receive an email with your mobile tickets 7 days before each of your scheduled performances, giving you plenty of time beforehand to make any exchanges or show swaps. This shift will enhance your Blumenthal experience by providing a truly contactless and eco-conscious way to enter our theaters safely and efficiently, while also reducing the risk of lost stolen or counterfeit tickets.
