Your tax deductible membership provides unique enhancements to events at our four Uptown theaters and Blume Studios, including priority access to ticketing, invitations to curated member events, opportunities to meet Broadway in Charlotte performers, access to cast parties and travel programs, and priority entry to special engagements depending on your member level.

Members at the \$2,500 level and above enjoy access to the Founders Room, a private lounge at the Performing Arts Center offering premium cocktails at lobby prices, complimentary snacks, private restrooms, and a warm and inviting space to gather with friends and fellow supporters, taking your performance experience to a luxe level.
