Blumenthal Performing Arts

COLLEGE INTERNSHIP PROGRAM

Internships at Blumenthal Performing Arts (BPA) are designed to offer hands-on and instructional learning experiences to college and graduate students considering careers within arts management. Although internship opportunities are not provided year-round by all BPA departments, there is typically an internship opening in one or more departments throughout the year.

Full-time internships (30+ hours per week) require a minimum commitment of ten weeks by intern candidates. Pending the needs of individual departments, flexibility in daily or weekly work scheduling may be required and some work in the evenings and weekends may be necessary. To assist full-time interns with living expenses, BPA provides a stipend of $250 per week.

In addition to work experiences overseen by a BPA department leader, interns may be required to attend semi-regular meetings with other interns and BPA’s Education Special Programs Manager to participate in career preparation and other learning activities.

Interns may be eligible for college credit upon completion of BPA’s internship program. Interns who intend to receive credit for their internship experience are responsible for meeting registration requirements of their respective colleges and for informing BPA’s Education Special Programs Manager of necessary evaluation and/or other forms to be completed by appropriate BPA personnel.
